- For every \$1 donated, our Food Pantry purchases \$8 of food through the Northern Illinois Food Bank.
- Donations of funds, food, supplies, sponsorships and time are gratefully accepted. Our Not For Profit local community mission is powered by your generosity.
- Sponsor Hunger Relief. Show the community your business cares! Sponsor a Fundraising Event, host a Food Drive at your local business or with your service group. You can even sponsor a Food Mobile to visit a local neighborhood!

Together, by relieving hunger, we can stabilize our underprivileged families to keep them healthy, successful in work or school, and active in our community.
